Re: Notice of File Closure for Small Mining Activities, G & K Mining, King Mine, S/037/098 (ML 47331), San Juan County, Utah

Dear Mr. Goddard:

On April 29, 1999, Division staff inspected the site of your King Mine, located in the NE1/4 of Section 36, T29S, R21E, San Juan County, Utah. There were no surface disturbances visible in the project vicinity as shown on the map submitted with the notice. Therefore, the Division will close this notice and retire the file #S/037/098.

If you wish to commence any mining related activity in this area in the future, you will need to submit a new notice to the appropriate agency, pay the Division permit fees, and receive written approval prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5267. Thank you for your time in completing the required reclamation on this project.

Sincerely,

for Anthony A. Gallegos
Senior Reclamation Specialist
